TO WHOM IT MAY CONCERN

Since 1974 I have been reading the books by Bhagwan Shri Rajneesh and I became very interested in his literature. I was more impressed when I heard his dis-courses in cassettes which were very impressive and had a tremendous effect on me. He is a great spiritual leader and is a saint in real terms and has a very impressive personality. I was more impressed when I came in contact with him and it has certainly changed my life style also.
