TO ALL WHOM IT MAY CONCERN

In my opinion the teachings of Bhagwan Shree Rajneesh as shown by his writings, his words and his actions are of philosophical and religious importance. I believe they are socially positive in effect, and likely to be of lasting benefit in a world where negative thinking and behaviour, including violence, criminality, and drug addiction are all too common. I am prepared to defend these opinions publicly if necessary.

Yours sincerely

Nicholas Guppy, M.A. (Cantab. & Oxon.)

Author and Editor of many books and magazine articles on botanical subjects, travel and anthropology
Former Chairman of Sovereign-American Arts Corporation, a publicly-quoted United States Corporation
Former Research Associate of the New York Botanical Garden
Etc.
