El Topo
The Holly Mountain.

Je considère que BHAGWAN SHREE RAJNEESH avant tout comme un Homme d'une vaste culture, qui pour moi, à travers ses livres, a été une source inappréciable et utile pour moi... Ses concepts clairs sur la Philosophie et les religions orientales telles que celles du Japon, Chine, l'Inde et Moyen-Orient sont précieux surtout pour des élèves occidentaux qui n'ont pas d'accès faciles à de telles sources.

Je pense que refuser le visa à un Homme d'une telle qualité est une grave erreur !

I esteem BHAGWAN SHREE RAJNEESH above all as a Man of vast culture, who for me, through his books, has been an invaluable source and useful for me ... His clear concepts about philosophy and the oriental religions such as those of Japan, China, India and the Middle East are especially precious for western students who do not have easy access to such sources.

I think that to refuse the visa to a Man of such quality is a grave error!
