OGGETTO

I am a psychologist in a sanitary distrect of the National Sanitary Service. I work like adviser in a familiary Center for single, copple, children; and like psychoanalyst in a Mental health Center. I was in Poona three years ago at the Rajneesh ashram and I was very interesting in the psychotherapeutics technics. of Rajneesh. It was a very important experience for me and for my work. In my opinion Rajneesh made an important fusion of western and eastern philosophies, so opening new ways to the psychotherapeuti cs. I found also his books very important for my work.

I hope in your foresightedness.
