To whom it may concern . . .
I'm an action-painter in Berlin
and have a lot of contact to the
people of Bhagwan Shree Rajneesh.
From February 83 exist in Berlin the
disco "far out" and I love to dance
there with all my friends, because I
like the feeling of the Sannyassins.
I read a lot about the poesie, the
message from the master.
I'm sure, he is a really genial
person and I pursuer his actions
with great interstings in Oregon.
