

Groningen 24 June

To whom this may concern,

Since I met Bhagwan Shree Rajneesh and his work, now for four years ago, I can say with whole my soul and feelings, that not anyone has influenced and inspired my whole life as well as my career more than he did.

My personal history.

1960-1968: I went to a catholic seminary for becoming a catholic priest. I didn't finished this because of becoming disappointed in the catholic church.

1969- now: I worked as a group leader and social worker for juvenils by the Dutch Govern. During this work I went to the Academy Social Work.

Since 1974 I became a staff function.

In 1980, after knowing the work and life of Bhagwan Shree Rajneesh for more than a year, I became a ranyasin of him (a disciple).

Yours sincerely,

Swami Deva Ben (J.B. Scholte Albers)
