To whom it may concern.

My name is Ma Deva Susanne. I am a disciple of Bhagwan Shree Rajneesh. I want to put in words some experiences that I have being with Bhagwan.

His presence touches me right away - I feel more how I really feel: sad, or happy or calm, simply satisfied with life. I feel centered in myself, straight in my intentions and movements. Bhagwan sends out this touch of living. He is so full and whole himself. It spreads out.

When I hear him talking on tapes he is answering questions of problems. That is very interesting. I find myself a lot of times in it.

But his physical presence in silence reaches somewhere deeper where words don't go. And this is so special about Bhagwan. It is not mainly by what he is saying that I learn from, but his presence, his energy that gives me so much, that is so rich, that turns on to feel full in myself.

I learn how to come closer to my energy. This energy is my life. And I enjoy to put it into work and keep it moving and let it grow.

The festivals in Rajneeshpuram are great chances for people to be with Bhagwan. For me it is a big challenge every time again and I am really happy that I have this opportunity.

Sincerely,

Ma Deva Susanne
