

Rajneeshpuram

To Whom it may concern,

I am a nineteen year old  
Rajneesh who grew up in California  
and Florida. For two years before  
I came to live in the presence of  
Bhagwan Shree Rajneesh I worked  
as a waitress in San Diego.

Now I clean and wait on tables,  
but here it does not seem like work.  
For me it is a celebration of His  
presence here and a way for me to  
express my gratitude.

Sincerely,  
Adra Anne Milord
