Dear Sirs . . .

My name is David Juglis a.k.a.

Sw Deva yashen. (live and work at Rancho Rajreesh with my wife of 13 years and my 10½ year old daughter. I have in my life had many occupations and learned many skills incl. in the arts ... batik, inlay woodwork, painting, letter craft and gourmet cooking. The latter of which I have 4 years of intensive training in the sciences ... I am a trained bodyworker in the techniques of Postural Integration, Soft and deep massage as well as Therapy training in gestalt, encounter and Primal Therapy.

I am at present coordinating a construction and maintenance crew at Rancho Rajreesh.

This man, Bhagwan Shree Rajneesh has effected my life & work since I met him in 1977 and has continued to inspire me in both personal & professional aspects of my life.

Having experienced his presence, both when he was talking & in his silence, I can honestly say that his presence, effect and influence on me, has if anything increased since he went into silence in 1981.

There is no question in my mind that this man is more than extraordinary and has inspired both myself and my colleagues in extraordinary ways.

yours truly
