TO WHOM IT MAY CONCERN

I am writing to you out of my deep concern that you are not recognising Bhagwan Shree Rajneesh as a spiritual leader because he is in silence.

I have been a disciple of Bhagwan Shree Rajneesh's for one year now, since he has been in silence.

A year ago I travelled to America to be in his physical presence and sit silently with him in satsang - there I decided to become a disciple.

I travelled this year again, to be with him in silence.

My past year as a disciple of Bhagwan's has been the clearest, most positive and joyful of my life. This remarkable and beautiful man has shown me a quality of living that thousands, millions of words can't convey.

Bhagwan Shree Rajneesh is my beloved spiritual master, it is most important to me that he is recognised and available to me as such. So I appeal to you to reconsider your decision!

Yours sincerely

Ma Jivan Heera
