To whom it may concern.

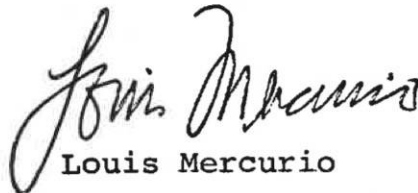

My name is Louis Mercurio. I am a self-employed Graphic Designer. I've been in the communications field for sixteen years and have had the opportunity to meet with many creative people both in and out of my profession.

None have had as profound and positive an effect on me as Bhagwan Shree Rajneesh. Some five years ago it was my great fortune to hear Bhagwan on an audio tape. The tremendous truth and clarity he brings to life was very much evident on that tape.

His presence has brought a tranquility to my life which otherwise would not have been possible. I feel as an individual I owe much of my happiness to Him.

In closing, I feel a very deep appreciation that I am an American and that Bhagwan is here continuing his work of peace, love and understanding.

Very truly yours,

  
Louis Mercurio
