To Whom It May Concern:

Bhagwan Shree Rajneesh

I am an American medical doctor and psychiatrist living and working in London. I am the author of several books and articles in my field, including SOUL MURDER: PERSECUTION IN THE FAMILY (New York: Random House, 1973 and New American Library, 1974) and THE STORY OF RUTH (New York: G.P. Putnam's Sons, 1981 and Zebra, 1982).

I have been asked to write about Bhagwan by his followers. I have read two books by him, seen him on television and read a few articles about him. I consider him an interesting, perhaps outstanding, spiritual leader who on balance has done some good in the world. Whereas I cannot endorse everything he says or does, I regard him as a benevolent influence.
