To whom it may concern.

My name is Peter Louis Blackbeard,  
born and educated in London, England. For  
the last six years, I have been working  
as a goldsmith, the last two with  
a Hatton Garden jeweller, with an  
exclusive clientele. I can sincerely say  
that being in contact with Bhagwan  
Shree Rajneesh has helped tremendously  
in that, through practice of his  
meditation techniques, a much calmer,  
clearer state of being happens, giving  
rise to a more concentrated, creative  
work. It helps, constantly, in the  
day to day life not only me, but  
thousands of other people also.  
I can truly say that he, more than  
anyone is an exceptional and remarkable  
man.

Since I have been here in

Rajneeshpuram, that experience has deepened.  
Being in his presence makes working not  
a chore, but a joy - something which is  
unheard of elsewhere.

America and the whole world  
will certainly benefit from his  
being here, and not only now, but  
for many, many years to come.

Yours Sincerely,

P.O. Box 10,

Rajneeshpuram,
