July 26, 1983

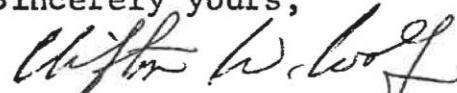

Hotel Rajneesh  
1115 S. W. 11th Avenue  
Portland, Oregon

To Whom It May Concern:

This letter is in support of Bhagwan Shree Rajneesh's attempts to remain in the United States in order that he may continue his function as a leader of great importance and influence.

I studied with him in India in 1978 and since then have been a disciple of his. He has greatly influenced my professional work as a clinical psychologist.

Sincerely yours,

Clifton W. Wolf, Ph.D.  
Clinical Psychologist

(Swami Anand Satyam)
