

8/3/83

To Whom It May Concern;

I've recently been on a Pilgrimage to Oregon to see Bagwan Rajneesh. He has touched my heart in such a way, that's made me so much more aware of life & loving. Through his silence his loving energy just fills the air. He just sits there & pure love is present. The U.S needs such a person to bring peace & harmony to the world -

Sincerely,

Kathleen Falkner
