To whom it may concern,
this letter is in regards my feelings
towards my Master, Bhagwan. Sri.
Rajneesh.

I have been a sannyasin nearly
three years now, never have I
seen my Master, and never has
I heard him speak.

It is far beyond any words what
I feel, the silence & peace within,
that Heart to Heart communion
there has never been another way
for me.

It is the silence of the trees the
birds and the flowers. Love.

Love
