

Keerbergen 19 July 1983,

Dear Sir,

Please, let Shree Rajneesh, named the Blessed One, Bhagwan stay in the U.S.A., the only country in the world where there can be real freedom of religion.

My Biography:

My name is DENITTE JEAN-PIERRE
born in KUVKNE 26 Oct. 1945 (BELGIUM)

Studies: latin, greek, humaniora,
philosophy at the university of MÜNCHEN (HOLLAND)
psychology and criminology at the university of
LOUVAIN (BELGIUM)
title: doctorandus in criminology
postuniversity-graduate (pedagogy-criminology)

worked in the Center for Interdisciplinary Anthropological Research
in LOUVAIN
as assistant of professor P. De Boecklin at the
university of Louvain.

monthly working as supervisor in the academy for social work
in ANTWERP (Belgium) - giving lectures about
groupwork in the same institute.

other formations and recycles: Group therapy, autonia, holistic therapy,
transcultural work.

married with: MATTHE AN, my wife and we have two children:
PIETER and TINE DENITTE. We live in BELGIUM -
KIEVITVEG, 1, 2850 KEERBERGEN

My first contact with Bhagwan Shree Rajneesh was through
her books - This was something totally new in it for me,
a synthesis between ~~from~~ the human growth movement
(with his center in Esalen) and religion. Religion for me
was identified with christianity. Through Bhagwan Shree
Rajneesh I discovered more and more religions - I knew
about other religions through formations and books and
through contact with other people, but through Bhagwan
for the first time my prejudices felt off, and I came
in contact with the Mystery of life, the core of all
religions and growth movements, the core of "all human
being". He ~~is~~ and is for me "a finger to the Moon,
a window to the innermost core of religion, that's life
itself". So for me he is a religious Master.

Aérogramme

I was in Rajneeshpuram last year (1982) and also this year (1-10 July 1983), in the U.S.A. And Bhagwan Shree Rajneesh was so well, so beautiful in your country. Let Him stay with you. Don't make it true that people do always the same things with men as Jesus or Buddha. Your American friends do no good things for Him, it is the best place in the world for Him, for his health and the work, and also for us, who come to America for a pilgrimage. Don't destroy it, please - I give love there in the biggest heart all over the world! I know

America is the country where history ~~can~~ can happen, the work of Bhagwan Shree Rajneeshpuram is the creation of a city of laughter, of love, of life itself, let it be, please.

With respect,

Jandevanth.

(Bhagwan Shree Rajneesh

gave me the name:

namni arand sapna;

in english: an ocean of bliss).
