I, Dr. S. B. Maru, Bachelor of medicine and Bachelor of surgery, a general Practitioner in Mombasa, Kenya East Africa wish to request Ladies and gentlemen of jury for the continuous study of Bhagwan Shree Rajneesh in Bucharete U.S.A.

I was born and brought up in Kenya. For my further studies I went to India. There in the university of Saugor, Madhya Pradesh. when I was a science student, I came to know about Bhagwan Shree Rajneesh. There he used to be Professor of Philosophy. Since then, from my teens to early forties now, I have been reading his works, the more I read, the more I like him, the more I love him and now I adore him.

Bhagwan Shree Rajneesh is an international personality. A dynamic philosopher.

And a guide of millions. His lofty spirits and solid eloquence has made him win the hearts of millions with thousands of followers scattered all over the world. He is one of a few persons whose every word spoken is taped, typed and published. He is the author of innumerable books and publications of philosophy preaching love, peace and happiness. He is a man who follows not a single path but all the paths of Religions alike. His books, films, tapes and video tapes are blessings to mankind; rich in the fields of art, science, medicine and literature. He is a man in whom thousands trust and can make a desert into greenlands. In God we trust, in you we trust; that his stay in America is secured. I hope and trust so.

Thanking you
Yours Sincerely
S. B. Maru
