

Bonnie R. Neuman

Lawyer and Mediator
Certified Family Law Specialist

July 18, 1983

To whom it may concern:

I am an attorney licenced to practice law in the State of California for the past seven years and have been certified as a Family Law Specialist by the State Bar of California. I have served on numerous family law judicial committees and regularly served as an official Mediator to the Los Angeles Superior Court.

I am a founding director of a non-profit corporation called Divorce Mediators, Inc. and have lectured in the community at countless conferences and professional seminars.

I became acquainted with Ehadwan Rajneesh over five years ago and have read most of his books and listened to a great many of his tapes and have found them to be a great source of inspiration and direction in my life. He is an exceptional leader and many of my professional friends have also become acquainted with his works and find them a great help in their lives. We acknowledge him as a great religious and spiritual leader of our time and feel grateful to have him in our country.

Sincerely,

BONNIE NEUMAN
