

To Whom It May Concern

I chose to become a disciple of Bhagwan Shree Rajneesh over a year after he went into silence, and have since travelled to America from Australia to be with Him. The silent communion i feel in His presence is the most precious thing in my life, to me He has spoken all that needs to be said.

There is a Zen saying:-

"Better to see the face than
hear the words"

My master's face speaks more to me of love than a thousand words could. I ask you to please reconsider your decision.

Yours sincerely,
