To whom it may concern,

I have just been in Rajneeshpuram as a disciple from Bhagwan Shree Rajneesh. Since five years I have been part of his Bucklefield and my love for him is only growing.

15,000 people were together there. Where in the world such a meeting is possible ~~is~~ in such peace. Just doing ordinary things like working and dancing together. Everything was so well taken care of.

Now else such an enormous happening is possible but in love. And just in two years this has been set up. I am happy to have ^{such} a beautiful master who is guiding us to realise all this.

So please give him a visum to continue his work there.

Yn love
