

To whom it may concern,

My name is Swami Prem Anudas and I am a disciple of Bagwan Shree Rajneesh. Last July I visited the USA for a festival in Rajneesh Puram.

This festival is an annual happening and thousands of Sannyasins visit there. Bagwan gives us a lot during this festival and I like to visit him also next year.

For me Bagwan is a guide in my life. He shows me a lot of things which are living in myself and this is the same for a lot of others.

Bagwan has created a Buddha field in Rajneesh Puram. A place where people work and live together; He has created an atmosphere full of love and care for each other, nature, work, for life.

It is a unique place in this world. The festival is an celebration for the religion Bagwan has created.

So I think If Bergwan don't get a visa
it would harm a lot of people so not
only for the sanniyasins who live in
Rajyeesh Puram, but also for a lot
of sanniyasins all over the world
I love my master and I like to stay
him in this beautiful country

Thanks for reading this letter
