To whom it may concern

My samnyas name is Me Puje Nilime,
my legal name is Rita Inri.

I am 23 years old and I am working
I have met Bhagwan one year ago
and I have taken samnyas on the 11th
December 1982.

My master Bhagwan has taught me to
live in love with myself and the whole
world and to live every moment as
a celebration.

He teached me all this without
speaking but in perfect silent.

He is a great spiritual master and
his work is just a miracle of love.

thank you
