To whom it may concern:

I follow the Master since more than a year, going to a Rajneesh Meditation Center in the town I live and I have also visited Rajneeshpuram /Oregon last december. It's really incredible to see the joy and the perfect organization of this new town.

But it is also a great luck to have a Rajneesh Center in the place where I live. There we meet, we meditate, we keep in touch with each other and with Oregon getting the latest news, some are good , some are less beautiful.. .

It's my great desire that Bhagwan Shree Rajneesh gets the permission to remain in Oregon. Thank you.
