

To whom it may concern

My name is Sw. Riccardo
(Riccardo Loffrandi).

I have a high school degree
like surveyor.

In this time I work like handyman
doing many kind of work.

I met Bagwan three years ago and
I become sangha two month
later.

From that time I completely change
my life; I learned to work, to
live and to love.

Before I was really against any
variety and work; now I can
accept every thing more easily.

I'm working on me and with
~~the~~ His Help everything can be
done. I hope he will stay in Oregon

Best Regards

Sw. Riccardo
